

MEMORIAL CITY

HOUSTON, TX

Memorial City is a typical Airwavz In-Building “end-to-end” operational platform with a C-RAN head end with dedicated fiber optics and D-RAN wireless systems delivering outstanding cellular service across a major development. **This solution is building-owner and wireless carrier funded, with radio sources purchased and installed by Airwavz.**

Airwavz serves tens of thousands of daily workers and visitors covering more than 9 million square feet of retail, office and hospitality including Memorial City Mall, The Westin Memorial City, Hotel ZaZa Memorial City, and the Memorial Hermann Memorial City Medical Center.

“With custom solutions tailored to our needs and the constant communication they provide, Airwavz continues to stand out as the right partner for our in-building cellular initiative.”
