

FISHER'S EVENT CENTER

FISHERS, INDIANA

Airwavz has partnered with Fishers Event Center to deliver reliable cellular coverage throughout the venue. With the event center spanning 202,310 square feet and accommodating up to 7,500 guests, consistent connectivity is essential for ensuring communication and enhancing the experience of attendees, employees, and performers.

Our network solution, integrated into the 85,687 feet of electrical conduit throughout the center, ensure uninterrupted cellular service, whether you're at an Indy Fuel hockey game, a concert, or a community event. This partnership supports Fishers Event Center, the largest mid-size event venue in the region, by providing the connectivity needed to keep everyone connected and safe.
