

PIEDMONT CENTER

PROJECT SCOPE

PIEDMONT CENTER is a united, nine-building office campus connecting three diverse workplace neighborhoods – The Commons, The Fountains and The Tower. With convenient accessibility to GA-400 and a variety of alternative transit options, Piedmont Center is primely positioned at the pulse of Buckhead's growing tech corridor.

CAMPUS DETAILS

- + Atlanta, GA
- + Class A Office Campus 14 Buildings
- + 2 Million SF
- + 100+ Tenants

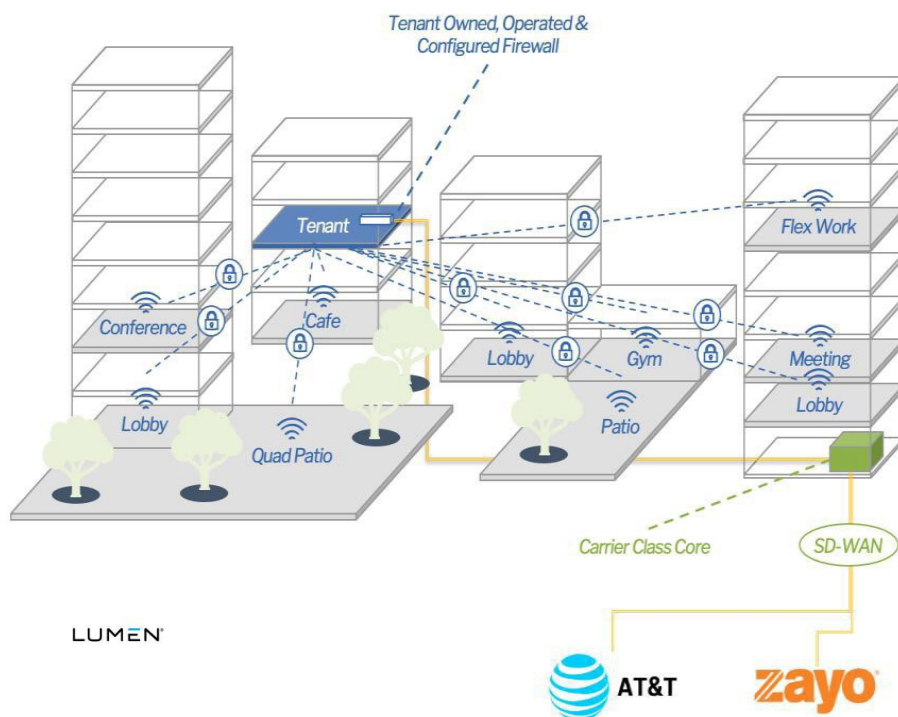

*"The natural progression for dynamic startups and established professionals alike to join a progressive workplace community. Make lasting connections in shared amenity spaces that foster collaboration. Leverage the opportunity to scale your business and create a workplace home that exudes company culture. **At Piedmont Center, success begins with connected community.**"*
